Mr. Dulles:

Noted his concern about the situation in Finland [redacted]

25X1

[redacted] the possibility of a Communist take-over. He said his opinion of the U.S. problem with Finland was largely in the trade field, i.e., purchase of Finnish goods. He also stated that information being furnished by the Agency to the Business Advisory Council should point up this trade problem. (Action re Business Advisory Council assigned to DD/I).

General Cabell:

[redacted]

25X1

b) Recommended that General Pitcher, new Director of the Joint Staff, be invited to CIA for a briefing, to be preceded by a luncheon. The Director approved.

[redacted]

Reported that there is a memorandum on its way to the Secretary of State setting forth views as to what should be done about [redacted]
